## High School Exit Exam Study

What Is a High School Exit Exam? A high school exit exam is a test that you must pass to receive your high school diploma. These exams typically include a math section as well as an English language arts section that incorporates reading and writing skills. Some include science and social studies sections as well. Sometimes states have a series of standardized exams administered throughout high school rather than just one.

## CAHSEE - Practice Test 2020

Print article. Twenty-six states either currently have a high school exit exam or plan to put one in place. Given the number of high school students in these states, it means that exit exams affect more than two-thirds of the nation's public high school students. These exams vary from state to state in terms of content and opportunities for students who do not pass to retake the test and/or demonstrate competency.

The California High School Exit Examination was an examination created by the California Department of Education, that was previously mandated to administer in High Schools statewide in order to graduate. The examination was suspended in 2015, when Governor Jerry Brown signed a bill undoing the decade old requirement. It was originally created by the California Department of Education to improve the academic performance of California high school students, and especially of high school graduates,

California High School Exit Exam - Wikipedia

A key form of student-level accountability is the requirement for students to pass high school exit exams (HSEEs) in order to receive a diploma. In this paper, we examine the impact of HSEEs on dropout during a period when these exams became more common and rigorous. Further, we study whether offering alternate pathways to graduation for students who cannot pass HSEEs moderates any dropout effects.
